Quick Turnaround

We have selected our 9 most popular popcorn flavors that come in our 4 cup size bag measuring 6x9. The flavors include Extra Butter, Cheese, White Cheddar, Dill Pickle, Jalapeno Cheddar, Jalapeno Ranch, Kettle, Caramel, and Cornfetti. We recommend these flavors for your fundraiser but can alternate flavors if you choose. We also offer a specialized mix of colored popcorn that matches your school, team, or organization's colors!

We charge your organization \$4 per bag and each bag should be sold to customers at \$6 each. This means 33% of the sales will go straight to your organization! In order to help you sell popcorn, we can personalize a sticker for the front of the bags with your organization's name or logo on it for no extra charge.
