

Fundraising Program

Our gourmet popcorn fundraising program provides a simple and quick way to get maximum profits for your organization!

There are 2 different fundraising programs that we offer!

Concession Style

You can purchase your popcorn in advance and sell it concession style at games, events, schools and more. This is an efficient way to get the popcorn in customers hands and make sales immediately upon receiving it.

Pre-Sale Style

Using our specialized order forms, customers pick out their perfect flavors and quantities of popcorn ahead of time. This provides no upfront costs from you as an organization.

Quick Turnaround

We have selected our 9 most popular popcorn flavors that come in our 4 cup size bag measuring 6x9. The flavors include Extra Butter, Cheese, White Cheddar, Dill Pickle, Jalapeno Cheddar, Jalapeno Ranch, Kettle, Caramel, and Cornfetti. We recommend these flavors for your fundraiser but can alternate flavors if you choose. We also offer a specialized mix of colored popcorn that matches your school, team, or organization's colors.

We charge your organization \$4 per bag and recommend selling each bag from \$6 to \$8 (at your organization's discretion). At \$6 your organization makes 33% of sales, at \$7 makes 43%, and at \$8 makes 50%. The profit % can be shown at the top of the respective order forms to help entice supporters to purchase for your organization.

To help sell your popcorn, we can personalize a sticker for the front of the bags with your organization's name or logo on it for no extra charge. All profits go straight to you organization!
